Uganda

## Acknowledgements

We wish to acknowledge the support of the following donors:- USADI /Governance Accountability Participation Program, USAID /Uganda Private Health Support Programme, USAID /Trellis, the Civil Society Fund, The Vibrant Village Foundation, The Murr-Munning Trust, The Quaker Services Australia, the USAID/Catholic Relief Services and the district local governments of Wakiso, Kibaale and Hoima. These have been our donors and have supported Eco-Agric Uganda's work plan implementation. As a result of their continued friendship and support, Eco-Agric Uganda has been able to serve over 84250 vulnerable people in the three districts since its inception.

We appreciate the continued friendship and partnership shared with our stakeholders within Government, Parliament and at Local Government level, which has bred positive progress in creating wider spaces for citizen participation in livelihood improvement projects.

Eco-Agric Uganda also recognizes the tireless efforts of our community monitors within our 3 districts of operation, whose monitoring work is vital to sustainability.
